FIAMM S p A : Energy Technology participates to The Battery Show Europe

03/27/2017 | 01:09pm CEST

[\[Attachment\]](#)

The Battery Show is the leading trade fair specialized in the battery industry including manufacturing technologies, materials, components, testing and recycling. It involves many different businesses from automotive to electronics, utilities and telecommunications.

After the success of the 7th edition in North America, The Battery Show is due to launching in Europe next month. The exhibition and conference will take place in Sindelfingen (Germany) from the 4th to the 6th April 2017, and it will be co-located with the Electric & Hybrid Vehicle Technology Conference and Expo.

FIAMM will be present showcasing both the Mobility (starter batteries) and the Reserve (industrial batteries) product innovations.

FIAMM Mobility Power Solutions will present the range of FIAMM Ecoforce batteries with AGM or AFB technology, specifically designed for Start&Stop cars while FIAMM Reserve Power Solutions will display the latest AGM batteries for different applications such as UPS, Utilities and Telecom.

More than 200 exhibitors and 3000 visitors are expected to the show and a full conference agenda with over 70 expert speakers from automotive OEMs, academic and research organisations will deliver interesting insights into the business.

We are looking forward to welcoming you at our booth n°227, Hall EG!
