From the 24th to the 28th May 2017 FIAMM will attend the 27th edition of **Autopromotec Bologna**, the international exhibition for automotive equipment and aftermarket products.

FIAMM will showcase the latest product innovations, starting from **FIAMM Ecoforce** starter and auxiliary batteries, available with **AGM** technology or with the patented **AFB®** technology, specifically designed to equip the new **Micro Hybridvehicles**, to the renovated **FIAMM Titanium** range for traditional cars, synonymous with high performance, power, reliability and safety.

With regard to the spare parts market for commercial vehicles, FIAMM keeps focusing on the **powerCUBE** and **energyCUBE** ranges. The product portfolio in this case is able to satisfy the **numerous application needs of commercial vehicles, agricultural and earth-moving machines.**

FIAMM product offer has also widened with two new models with top-performance and innovative technologies, that will be positioned onto the high-end of powerCUBE range, as bench mark in terms of performance.

The **MOTOR ENERGY** battery range, dedicated to the **two wheels**, will be displayed at FIAMM stand along with the other products.

We are looking forward to seeing you at our booth n°**B42, Hall 18!**
